Beginning on 3/25/20, this enhanced benefit will be applied to all eligible, commercially insured patients filling their first XHANCE prescription on or before 5/31/20. Benefit is provided irrespective of coverage for XHANCE.†

*With our existing copay program, additional refills for a $0 copay remain available for commercially insured patients with coverage for XHANCE through qualifying refill programs managed by pharmacies within the XHANCE Preferred Pharmacy Network.

### How does it work?

1. Ask your ENT or allergist if XHANCE may be right for you
   - If you don’t have one, you can find a specialist at XHANCE.com

2. If your doctor prescribes XHANCE, tell them you’d like to use an XHANCE Preferred Pharmacy to save on your prescriptions

3. Expect a 5-minute phone call from the pharmacy to confirm your information
   - Be sure you speak with them to get your prescription

4. Your XHANCE prescription will be delivered directly to your home

5. This offer is only available through the XHANCE Preferred Pharmacy Network and is not available through your local retail pharmacy

†Patients must be 18 years of age or older and must not have previously filled a prescription for XHANCE. All fills must be completed on or before August 31, 2020, to receive enhanced copay benefit.

These offers are not valid for use by cash-paying patients or patients enrolled in Medicare, Medicaid, and TRICARE or other federal or state programs. Maximum benefit available per 30-day fill is two units. Optinose reserves the right to rescind, revoke, or amend this offer without notice. Additional eligibility rules and restrictions may apply.
